

RR 212h MK3 – Chain Suspension (Ceiling Rigging) – Component Layout

The illustration above displays the ceiling mounting arrangement for the RR212h MK3 loudspeaker and identifies the essential hardware supplied.

Components

- FYX Assembly
- Safety Chain with S-Hooks (user-supplied)M6 Steel Rope
- RR212h Mk3 Loudspeaker

Note:- Chain & S-hook are not supplied with the product & must be procured separately

RR 212h MK3 Chain Suspension (Ceiling Rigging)

FYX

CHAIN

S- HOOK

Application Guidance

- Install FYX into the loudspeaker as shown in the diagram.
- Using strong and rated chains and S-hooks suspend loudspeaker ensuring even load distribution.
- Inspect suspension hardware before operation.

Caution: Suspending a loudspeaker is a skilled job and needs a properly trained technician to undertake the installation ensuring all safety norms are adhered to as per your local authorities and laws.

This configuration ensures a stable, secure, and standards-compliant chain suspension for the RR 212h Mk3loudspeaker, showing all hardware placement and component relationships clearly.
